FROM THE COMMANDER

It's that time of year we all like to get outside and meet with family and friends. Please check on them more often and those you have not heard from in a while. Please remember to be safe during your summer activities as we have all been sequestered for a long time because of Covid we are eager to be active. Please remember your loved ones who are no longer with us that we could be sharing our Good times with. Be it a life and memory well

lived and remembered.

Thank you to all of you who came out to either play or support the Euchre tournament fundraiser for Robert Jacobbe.

Thank you for your generosity for making this a success. There a lot of members working diligently in preparation for the Warrior concert. This event is open to the public and I hope that you can all find some time to attend and bring your family. Promises to be great food, music, and fun.

The Harley Burgess Memorial Golf Tournament is also in August. See the posting in this newsletter to make your reservations early and reserve a spot.

I have had the privilege of seeing many long term members committing themselves to maintaining the facility. If it was not for their dedication our Post would fail to exist. I am truly grateful to our legion family. If you or you know of someone or a business that would consider donating their time and material to the Post by all means lets us know. The building and the Pavilion need a new roof. We need new grill for our cookouts the one we have is functioning but barely. Remember money that comes into the post always goes back to the

community. This leaves little for maintaining the facility that we all have come to enjoy. The family picnic is Saturday July the 23rd. Please bring a dish to pass and your family I look forward to meeting you.

For God and Country

Ed Wawrzaszek
Commander 468 American Legion Post.

Membership meeting is at 7:30 PM every second Monday of the month.
