## FROM THE COMMANDER

The Halloween party was a blast thank you to all of you for showing up. I want to remind everyone of coming events.

November 12<sup>th</sup> at 11 am is our annual veteran's day ceremony at the post and at 6 pm is our annual fall Turkey Raffle. Money raised from this raffle, helps our baseball team. The children's Christmas party. Our Polar bear club. All great charitable opportunities that make this post a great giving sharing community. This event is open to the public so bring your friends and family there will be raffles and prizes to win, it'll be a fun time. I wanted to thank the SAL for putting together great entertainment on Friday November 4<sup>th</sup> with Joey Allen it was good music and a wonderful time to get together. Some events not on the monthly calendar are listed here to the left. I will post updates on social media as well. On veterans' day please remember those that have saved our democracy.

**Veterans Day** (originally known as **Armistice Day**) is a federal holiday in the United States observed annually on November 11, for honoring military veterans of the United States Armed Forces. It coincides with other holidays including Armistice Day and Remembrance Day which are celebrated in other countries that mark the anniversary of the end of World War I. Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 when the Armistice with Germany went into effect. At the urging of major U.S. veteran organizations, Armistice Day was renamed Veterans Day in 1954.

Veterans Day is distinct from Memorial Day, a U.S. public holiday in May. Veterans Day celebrates the service of all U.S. military veterans.

Let's honor and remember those who sacrificed everything for the preservation of democracy

We need to remember our fathers and grandfathers. It is easy for us to forget to honor those who serve and made sacrifices for our freedom and the freedom of our republic.

Veterans from this very Post; Dan Klemz who silently protected our waters during moments of history, Andy Ford who protected our nations secrets, and our WW2 vet Ralph Panfil for a generation we can never forget.

This veteran's day let's not forget their service. The oath they took to defend the constitution against all enemies both foreign and domestic. It's easy for us to forget this, and if the events in the last five years haven't taught us anything we still have to fight for our nation and we still have to support those who do and each of us, each American has a role to play in the sacrifice in the defense of our democracy.

Standing amongst those who have served, this field of honor, we can never forget that sacrifice.

For God and Country

Ed Wawrzaszek  
Commander 468 American Legion Post.

*Membership meeting is at 7:30 PM every second Monday of the month.*
